

# Giving IB the boot

## U.S. schools that have "Dropped IB" – listed by state

This is a work in progress and will be periodically updated. Comments welcome. – D. Niwa, Sept. 29, 2011, Tucson, Arizona

"Dropped IB" means that the IBO (International Baccalaureate Organization) website's IB school listing link brings up the message: "**Unfortunately, this school no longer offers any IB programmes**" In a few cases, it also indicates a former IB World School that disappeared from current IBO references, but nonetheless appeared in various older IBO sources. One school on the list was closed. I suspect there may be others. Please let me know if you are aware of any other schools that are closed. For schools that are **phasing out IB**, see the Truth About IB website <http://truthaboutib.com/> -- find the "U.S.A. IB CHOPPING BLOCK" (bottom of webpage) for sites that plan to drop or are in the process of eliminating IB.
